

## Pricing

The download and use of the **Swiperest** application are free of charge.

The points accumulated may be converted into money by selecting the “**Convert**” option, which initiates the **KYC (Know Your Customer)** procedures required to open the payment account.

Opening the account and its maintenance **are free** of charge. However, the account maintenance conditions may be subject to change; any modifications will be communicated to users in a clear and transparent manner.

The reference banking provider is **Trezor SAS (CIB 16798)**, an electronic money institution with registered office at 33 rue de Wagram, 75017 – Paris (France). Swiperest operates through **Swipe S.r.l.**, a limited liability company with registered office at Via Sclafani 40/B, 95024 Acireale (CT), Italy, registered with the **Companies’ Register of Catania** with tax code and VAT number 06009700870.

Swipe S.r.l. is registered with the **Autorité de Contrôle Prudentiel et de Résolution (ACPR)** under number 753381, which can be verified in the **Financial Agents Register** ([www.regafi.fr](http://www.regafi.fr)), as a **Payment Services Agent** of the electronic money institution Trezor SAS.
